

Testing Site Acceptance

The following organization has been assessed and found to comply with the relevant requirements of ISO/IEC 17025 and the Intertek Global Satellite Program Manual and accepted by Intertek as a Level 2

Recognized **SATELLITE™** Laboratory

under the Satellite level 2 for limited test report and is authorized to perform test work for the product types identified on the endorsement to this Testing Site Acceptance.

Intertek Satellite Program

Our data acceptance testing program allows a qualified client to perform product testing at their site, with the same validity as if it were conducted in an Intertek laboratory. By combining their existing testing resources with Intertek’s global recognition, our clients can reduce their costs and time-to-market while verifying the accuracy of their test results.
